New Provider Referral Program

Happy with our service? Make some money...

You've already found the solution with HCS.....Now why not help someone else. With competitive bidding, accreditation requirements, and cuts in reimbursement everyone in the industry is affected. Every provider must find a way to drive in their patient receivables since it is the difference between profit vs. loss. As you know, we can help.

A little something for you: Let us know whom you are referring. Providers that you refer that turn into HCS clients will earn you \$200*. Please fill out the information below and fax back to us at 330-634-9926
