### **Bargmann Management and Homecare Collection Service Relocate to Accommodate Significant Growth**

**Akron, OH, Bargmann** Management, LLC and its subsidiary Homecare Collection Service have relocated to a new 9,000 sq ft call center. The move was necessitated by the significant growth in demand for the Company's services.

According to Lisa Bargmann, President & CEO, "In September 2005 we opened our first call center with a few Associates and an ambitious plan. Today we employ over 45 Associates and are doubling the size of our business every six months. The relocation to our new facility will allow us to continue our aggressive expansion as well as improve overall productivity and technological integration to better serve our customers."

Bargmann Management's new facility is located at 1655 Brittain Road in Akron, OH. The space incorporates innovative office design in a traditional retail environment, providing alternative use of real estate within the community.

#### **About Bargmann Management, LLC:**

Bargmann Management LLC is a leading provider of reimbursement solutions for the Home Medical Equipment and IV markets. Formed in 2003, Bargmann Management now operates two primary business segments offering a complete suite of cash flow improvement products and services to the homecare industry.

- Through its **HCS** segment, Bargmann Management is one of the nation's largest providers of outsourced patient revenue management for the homecare industry. By offering a complete solution for the patient billing and reimbursement cycle, HCS allows homecare organizations to improve their cash flow while freeing up management to focus on core competencies.
- **Bargmann Specialized Services** is a leading Advisory, Training and System Integration provider for the Homecare Market. The Specialized Services segment provides industry leading insight, guidance and operational improvement.

Headquartered in Akron Ohio, Bargmann Management serves over 200 homecare business customers throughout the United States.
